MT FORT ADVISERS SA CROWNED ASSETS UNDER CHF 500 MILLION AND NEWCOMER AT THE *WEALTHBRIEFING* SWISS EAM AWARDS 2021

Mt Fort Advisers SA, one of the industry leaders has been crowned 'Assets under CHF 500 million and Newcomer' at the 8th Annual *WealthBriefing Swiss EAM Awards 2021*.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2020'.

Commenting on the firm's triumph, Christophe B. Sierro, Founding Partner & CEO of Mt Fort Advisers said: "On behalf of our whole team, we are honored and delighted to receive those two awards at the prestigious *WealthBriefing Swiss EAM Awards* for excellence. Those are a strong testimony and endorsement of our strategy and commitment to excellence for our clients by a highly regarded international panel of professional experts. We thank our clients and network of professional partners for their trust and support."

ClearView Financial Media's CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management.
